NARRATIVE:

Montion, a documented gang member, has an extensive adult criminal history that began at the age of 18. His convictions include gross vehicular manslaughter of multiple victims while intoxicated, possession of controlled substances for sale, vehicle theft, possession of controlled substances, petty theft with prior jail, receiving known stolen property, being under the influence of a controlled substance, and failing to report. He has served multiple state prison terms the longest a 7 year term for gross vehicular manslaughter. Montion was released from state prison to the supervision of the Los Angeles County Probation Department on August 15th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2014 after he absconded from post release community supervision (PRCS). Montion qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
